

Safety Day 2013

Brought to you by:

Tyson & Elaine Harvey, organized by "CJ" Kolasinski (S&TA)

Date: Saturday, March 9, 2013 (Please [RSVP](#))

Time: Registration begins at 9:00am, plan to be here ALL DAY

Workshops:

Equipment: Maintenance, packing and gear checks

Airplanes: Normal and emergency procedures

The Skydive: Exits, freefall, break-off and opening

Emergencies: Malfunctions, collisions and critical altitudes

Canopy Control: Standard procedures, creating separation and landing emergencies

Why attend...

- ◆ Because it's FUN!!! Get reacquainted and meet new skydiving friends going into the 2013 season. (Over 20 students have started the progression in January alone)
- ◆ Free stuff!!! Participate in all sessions for the chance to win free jumps, skydiving equipment, apparel, repacks, and much more!
- ◆ Learn the latest skydiving procedures and refresh your existing knowledge
- ◆ Get current (Licensed jumper-ground portion)
- ◆ Free T-shirts: First 60 people who register (registration begins at 8:45am)
- ◆ Get your picture in Parachutist
- ◆ 2012 End of year video; Breakfast, lunch and dinner provided
